Mad Dog Blues Duo, Trio & Band

Colorado Country Blues

Mad Dog Friedman, harmonica player, musical innovator and founder of many popular Colorado blues acts over the years including [King Comfort](#), [Harmonica Loowinski](#), [Papa Juke](#), the [Mojo Medicine Show](#) & [Blue Lightning](#), has put together an original acoustic blues band with a unique blues style indigenous to Colorado in the 21st Century while still honoring the blues roots. We call this music Colorado Country Blues because it combines the “Colorado Sound” (jam grass) with traditional rural blues. The result is Mad Dog Blues, a coalition of top-notch, veteran musicians dedicated to exploring this new sound in both their song writing and performances. Along with [Mad Dog Friedman](#) on harmonica, the Mad Dog Blues Experience (5 piece band) includes [Jeff Becker](#) ([Hippie Buckaroos](#)) on mandolin, [Clark Chanslor](#) ([White Water Ramble](#)) on stand-up bass, [Sean Bennight](#) (from St. Louis) on acoustic guitar and [Mark Kaczorowski](#) ([Blues on the Lamb](#)) on acoustic guitar. [Big Willy Palmer](#) and/or [Doug Moldawsky](#) ([New Garden](#)) often join us in various configurations including with the six-piece string band, the [Mad Dog Blues Extravaganza](#). We hope you enjoy our original “Colorado Country Blues” sound, a unique fusion of delta blues, bluegrass, honky-tonk, [hokum](#) and acoustic jam music.
